

Key Features

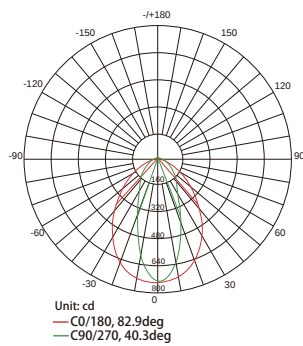

- Long life LED chips
- Uniform and consistent color
- Excellent thermal design
- Aluminium diecast housing
- High power factor > 0.95
- Universal voltage 90-265V/90-305V

Light Distribution

IP65
outdoor rated

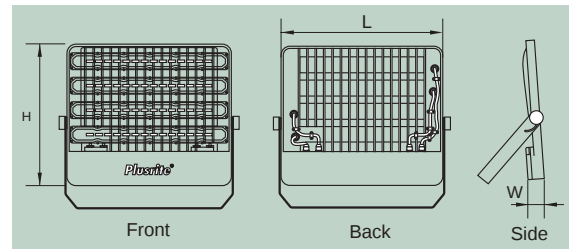

110W

220W

Applications

- Landscape Lighting
- Perimeter Lighting
- Pathway Lighting
- Entryway Lighting

Specifications

Description	Color Temp	Wattage	Output Lumen	Input Voltage	Angle Type	Rated Life
PLUS-162-Pre	5000K	110W	11,000	90-305V	Flood	50,000 Hrs
PLUS-163-Pre	5000K	220W	22,000	90-305V	Flood	50,000 Hrs
